I informed Mrs. Alkire that I would have more information on this on Monday and that if the Congressman had any further questions I would be pleased to talk with him at that time. Mrs. Alkire was most cooperative and said she would pass this on to Mr. Rhodes.

25X1

5. [] GLC) Mr. Ingram, in the office of Representative Thomas G. Morris, called to check on the Representative's letter to the Agency requesting information on the development of "ball lightning". I advised Ingram that the letter had been referred to our scientific people and that he would receive an answer early next week. Ingram appeared satisfied.
